Work Christmas party special.

Are you looking for something fun and exciting to do for your Christmas party this year? Well, look no further! Karaoke Bus can take all those hassles of organising a Christmas party off you with the introduction of Christmas package.

Get those singing voices warmed up as each weekday / night from mid November right through until Christmas Eve, we will provide you with fun, laughter and absolute mayhem as we enjoy Sydney's brilliant sites.

We will arrive at your work place, load your BYO, and then you have us for 5 hours of singing, laughter, and fun. Destinations can be a pub, park, and restaurant, one of our tours or anywhere we can get a big bus.

The bus is decked out in Christmas lights ready for the party atmosphere. We can also stop at an inner city pub for a full meal. We have a special Christmas play list with all your favourite Christmas songs mixed in with some of our fun mix.

2004 was our first Christmas with corporate bookings and we did almost 40 charters, so please book early to avoid disappointment. (We only have the one bus)

Prices: (up to 44 people)	\$1380
Optional Pub meal	\$15 each

Get in quickly and choose your date as these charters will sell out quickly. For further information or to book your Christmas party phone (02) 9555-2505 or email info@karaokebus.com.au

See you on board.
